From the Governing Board:

Proposed FVUUF Mission Statement

Welcoming Everyone, Growing in Mind and Spirit, Leading in Social Justice

Proposed FVUUF Vision Statement

We strive to be a compassionate congregation, guided by our Unitarian Universalist principles. We are a strong and vital fellowship where connections are important, questioning is encouraged, and traditions are built and honored.

Welcoming Everyone

We will engage deeply in the challenging work of examining our own assumptions, biases and privilege. We will reach out to each other and the wider, borderless community with radical kindness and hospitality.

Growing in Mind and Spirit

We will actively strive to live our best, most meaningful lives through personal spiritual practice and involvement in congregational life. We will be a community that fosters intellectual curiosity and nurtures the spirit among people of all ages.

Leading in Social Justice

We will have the courage to act, both individually and collectively, to build a more just and equitable world. We will have the wisdom to know when to lead, and when to follow the lead of others.

From the Shared Sanctuary Ministry Committee:

Hello Members of the Fellowship!

We, the Shared Sanctuary Ministry Committee, with the support of our Governing Board, are honored to bring to our Annual Meeting the resolution to declare ourselves a Sanctuary Congregation.

By declaring ourselves a Sanctuary Congregation, we would join over 700 churches of diverse denominations standing in solidarity with those who are the targets of the unjust immigration laws of our country.

Our Fellowship and our faith have a history of raising our voices to work for a more just world, and this is an important action for us to take in that effort.

Please join us in supporting our Fellowship's declaration of sanctuary!
