

Marti Wheeler
Member-at-Large

My family joined the Fellowship 37 years ago as soon as we moved to Appleton. I realized I was a UU in high school after hearing a talk by a friend's mother who was a Universalist minister. During my time at the Fellowship, I have had the privilege of serving on many different committees and the governing board. I have also taught children's RE many times and have been a youth group advisor and Coming of Age coordinator. I am retired, the mother of two daughters, and grandmother of 4. I look forward to serving on the board.
