

Jeff Miller

Vice President

Julie and I signed the book in 2000 shortly after we moved here. We were looking for a place that called to us after falling out of our childhood religious traditions. We found the Fellowship on the web from Central Texas where I was stationed in the US Army. We felt immediately welcomed and have benefited greatly from membership.

Our kids (Maddie and Mia) have been a part of the Fellowship's Religious Education (RE) program over the years. Julie has helped out in the nursery and assisted in RE. I have also been a member of the safety committee and assisted in RE.

I was a police officer for the City of Appleton for over 20 years before retiring in November of 2020. I am now enjoying a career in education and compliance in the health industry.

It has been an honor to serve as Vice President of the Fellowship Board this year, and I look forward to again serving as the Vice President of the Fellowship Governing Board in the 2023-2024 fiscal year.
